Karma

Designer Sergio Bicego
Produzione / Production year: 1999 - Restyling 2013

Descrizione

La collezione Karma incarna meglio di qualunque altro la versatilità dei prodotti di Saba Italia: un divano che trova posto sia negli ambienti moderni che nelle abitazioni di impronta più classica. Il successo di Karma cavalca così gli anni e le tendenze, grazie a un'attenzione nei dettagli quasi maniacale. I suoi 110 cm di profondità diventano agili per merito di accorgimenti stilistici che ne esaltano l'importanza senza appesantirlo. Proporzioni raffinate, design senza tempo e grande adattabilità a qualsiasi tipo di rivestimento fanno di Karma un divano irrinunciabile. Completamente sfoderabile.

Struttura - Imbottitura

In legno imbottito con poliuretano espanso rivestito con velfodera accoppiata a fibra di poliestere pressata 300gr/mq.

I cuscini seduta sono imbottiti con piuma d'oca e fibra poliestere 100% divisi a scomparti con inserto in poliuretano espanso 40IM. I cuscini dello schienale sono imbottiti in piuma d'oca lavata e sterilizzata e fibra di poliestere suddivisa a scomparti. Tutti i cuscini hanno il rivestimento in tela di cotone 100% anti piuma.

Piedini

In legno.

Description

The Karma collection is the ultimate expression of the versatility of Saba Italia products: a sofa that fits seamlessly into both modern settings and more classical homes. Karma has been riding the wave of success through passing years and fleeting fashions, thanks to its almost obsessive attention to detail. Design details ensure comfortable seating despite its depth of 110 cm, and add to its substance without weighing it down. Elegant proportions, timeless design and absolute suitability for any type of covering make Karma feel like the sofa of your destiny. Fully removable covers.

Structure - Padding

In wood padded with polyurethane foam covered with velfodera coupled with 300gr/sqm pressed polyester fiber.

The seat cushions are padded with goose feathers and 100% polyester fiber divided in sections with polyurethane foam 40IM insert. The back cushions are padded with washed and sterilized goose feathers and polyester fiber divided into sections. All the cushions have covering in anti-feather 100% cotton cloth.

Feet

In wood.
