# Descrizione

Teatro Magico, il primo tavolo Saba, è una quinta scenica per l'ambiente domestico e contract. La morbidezza del tessuto, reinterpretata nella base del tavolo, rimanda all'essenza dell'azienda, la combinazione delle basi, unite o separate, accentua la libertà compositiva di un arredo scultoreo che diviene il silenzioso protagonista dell'ambiente. Il piano, pulito ed essenziale, è proposto in diverse forme e misure, rotonde ed ovali, per accompagnare diversi racconti di convivialità.

I nuovi top per il tavolo Teatro Magico utilizzano il vetro satinato quale materiale con cui scolpire il colore della luce. L'ambra calda e il cashmere morbido sono i due nuovi colori che, oltre al bianco, arricchiscono la proposta cromatica Saba. Il tavolo si svela nella sua anima più poetica, senza trascurare la funzione.

# Description

Teatro Magico, the first table by Saba, is a scenic backdrop for the domestic and contract environment.

The softness of the fabric, reinterpreted in the base of the table, alludes to the very essence of the company, the table bases can be united or separated and they accentuate the compositional freedom of a sculptural furniture piece that becomes the silent protagonist of the environment. The table top, clean and essential, is available in different shapes and sizes, round and oval, to accompany different stories of conviviality.

The new tops for the Teatro Magico table collection use satin glass as a material with which to sculpt the color of light. Warm amber and soft cashmere are the two new colors which, in addition to white, enrich the Saba chromatic proposal. The table reveals itself in its poetic soul, without neglecting its function.
